Fostering a transition towards an environment-friendly society

# MONTPELLIER UNIVERSITY OF EXCELLENCE

## Excellence laboratories (LabEx)

### AGRO

Plant of agronomic  
interest

### CEMEB

Centre for Environment  
and Biodiversity

### CHEMISYST

Chemistry of molecular  
and interfacial systems

### ENTREPRENDRE

Law, economics and  
management specialized in  
entrepreneurship

### EPIGENMED

From genome and  
epigenome to molecular  
medicine

### NUMEV

Digital and Hardware  
Solutions and Modeling for  
the Environment and Life  
Sciences

## MONTPELLIER **UNIVERSITY** OF EXCELLENCE

**International strategy based on opening up towards Southern countries and developing strong ties with leading universities in the fields of “MUSE” clusters**

**Mobility Program**  
**« EXPLORE »**

**Montpellier Advanced Knowledge Institute on Transitions**

**Support for international scientific events**

**Framework agreements with strategic partners**

# MONTPELLIER UNIVERSITY OF EXCELLENCE

**Major efforts  
to increase internationalization of curricula,  
to foster innovative education  
to create a real sense of belonging for students**

**Doctoral  
College  
created  
in June 2017**

**Support for  
educational  
innovations  
"TAKE-OFF"**

**International-  
ization of  
training**

**Support for  
student  
initiatives**

# MONTPELLIER UNIVERSITY OF EXCELLENCE

Promote  
**INNOVATIVE  
RESEARCH**  
with local  
companies

**CONVERGENCE  
OF PROCEDURES**

**BIOMARKERS & THERAPY** ◀  
**DATA & LIFE SCIENCES** ◀  
**SEA & COAST** ◀  
**VINES AND WINES** ◀  
**WATERS** ◀

**KEY  
INITIATIVES**  
to promote synergies  
Research-  
Education-  
Economy

**INCUBATION  
& HOSTING**

# MONTPELLIER UNIVERSITY OF EXCELLENCE

**Endowment**  
**550 M€**  
**(17 M€ / year)**

0,25 M€ Student life

0,45 M€ Management

1,1 M€  
Companies

1,1 M€  
International

**6,5 M€**  
**LabEx**

**2,7 M€**  
**Education**

**3,8 M€**  
**Research**
